Panoramic View Sketch of PGI main blocks

**DAY 3**Sunday **8th September 2019**

Venue: Hotel Hyatt Regency, Gomti Nagar, Lucknow

Time	Topic and its Speaker	Moderator / Chairperson
<b>8000-8020</b>	How to deal with a patient with diffuse glomerulosclerosis (DGS), bland immuno-fluorescence, and relatively preserved GFR : Succeena Alexander, Vellore	Chairpersons: Arvind Gupta, Allahabad Arun Kumar, Lucknow Prit Pal Singh, Patna Alok Jain, Jaipur
<b>8020-8050</b>	ANCA vasculitis: How do I approach and manage : Alan Salama, UK	Chairpersons: Ajay Sharma, Canada Apoorva Jain, Agra K Jaisuresh, Chennai Anand Banka, Gorakhpur
<b>8050-9030</b>	C-3 glomerulopathies : Sanjeev Sethi, USA	Chairpersons: Umesh Gupta, Delhi Prashant Bendra, Meerut Indranil Ghosh, Lucknow Swarnjeet Kaur, Bhatinda
<b>9030-1040</b>	<b>Complement and other glomerular diseases</b>	
9030-9050	Complement in HUS: How to approach and treat : Jonathan Barratt, UK	
9050-1010	Complement in IgA: Is it a concern? : Daniel Cattran, Canada	Chairpersons: MM Rajapurkar, Nadiad Anil K. Singh, Lucknow DK Sinha, Kanpur Nitin Agarwal, Varanasi
1010-1030	Complement in ANCA: is there any role? : Alan Salama, UK	
1030-1040	Discussions	
<b>1040-1130</b>	<b>Infection induced glomerulopathies</b>	
1040-1100	IRGN : N. Gopalkrishnan	Chairpersons: KD Sadhwani, Ghaziabad Sameer Govil, Kanpur A W Khan, Jamshedpur, Medhavi Gautam, Lucknow
1100-1120	Virus induced glomerular diseases : Manish Rathi, Chandigarh	
1120-1130	Discussions	
<b>1130-1300</b>	<b>Paediatric Glomerular Disease</b>	
1130-1150	SRNS in children: Approach and management : Aparna Ayenger, Bangalore	Chairpersons: A Srivastava, Lucknow SN Mandal, Hyderabad BK Upadhyay, New Delhi Ajay Singh, Jaipur
1150-1205	How to tame relapses in children with SDNS and FRNS? : Manisha Sahay, Hyderabad	
1205-1220	How to combat metabolic complications in nephrotics? : Sanjeev Gulati, New Delhi	
1220-1235	Lupus Nephritis in children: How to deal with? : Dharshan Rangaswami, Bangalore	Chairpersons: Mitul Bora, Guwahati R Manjunath, Mangalore Namrata Rao, Lucknow LK Tripathi, Delhi
1235-1250	TMA and atypical HUS in children - Current status : Ajay Sharma, Canada	
1050-1300	Discussions	

Time	Topic and its Speaker	Moderator / Chairperson
<b>1300-1400</b>	<b>Post Transplant Disease</b>	
1300-1315	Recurrence or Denovo glomerular disease: How to approach and treat? : RK Sharma, Lko	Chairpersons: Narendra Sengar, Jhansi Rajeev Bhatia, Jalandhar Venkatesh Mogre, Hubli Amit Mahapatra, Delhi
1315-1330	Recurrence of FSGS: What to do? : Vijay Kher, New Delhi	
1330-1345	Transplant Glomerulopathy – should we treat, or not? : Amit Gupta, Lucknow	
1345-1400	Discussions	
1400-1440	Lunch	
<b>1440-1540</b>	<b>Panel Discussion: Pregnancy and Glomerular Diseases</b>	
7 min each	Approach to proteinuria in pregnancy : Jitendra Kumar, New Delhi	Panel Coordinator: Edwin Fernando, Chennai
	Glomerular injury in Pre-eclampsia – What is the news? : Urmila Anand, Hyderabad	
	When pregnancy happens in pre-existing primary glomerular disease : A Krishna, Patna	
	How proteinuria affects pregnancy outcomes : Ratan Jha, Hyderabad	
	Pregnancy in patients with APLA syndrome : Abhilash Chandra, Lucknow	
	When TMA occurs postpartum –what to do? : Harsh Vardhan, Patna	
1529-1540	Management of proteinuria in pregnancy – Is biopsy mandatory? : Vivek Kute, Ahmedabad	
1529-1540	Discussions	
<b>1540-</b>	<b>Closing Ceremony</b>
