

International CME on Glomerular Disease 6th to 8th September 2019

6th September 2019: Venue: Lecture Theatre, SGPGIMS, Lucknow

7th & 8th September 2019: Venue: Hotel Hyatt, Gomti Nagar, Lucknow

6th September 2019			
Time	Topic	Speaker	Chairpersons
1.00pm-1.55pm	Lunch		
1.55pm-2.00pm	Opening Remarks	Amit Gupta	
2.00pm-2.25pm Discussion: 5 min	Kidney biopsy techniques and complications-What are the different ways (20 min)	Narayan Prasad, Lucknow	MK Mitra, Lucknow DK Agarwal, New Delhi Asit Mehta, Ahmedabad Shivendra Singh, Varanasi
2.25pm-3.05pm			
Interactive Session			
	Case presentation: A case to pose before a histopathologist about staining, ordering IF/EM: which one and when? (10 min)	S Pokhariyal, New Delhi	Moderator: S. Pokhariyal, New Delhi Chair: Ravi Prakash, Bangalore Tejendra Singh, New Delhi Harisha Babu, Bangalore Sant Pandey, Lucknow
	Systematic analysis of a Renal Biopsy - Pathologist's perspectives (30 min)	Vinita Agarwal, Lucknow	
3.05pm-3.45pm			
Interactive session			
	Case presentation: A case to pose lab person about false positive report (10 min)	Saubhik Sural, Kolkata	KM Sahu, Mathura Rahul Kohli, Chandigarh Deepak Kalra, New Delhi Shashank Gupta, Lucknow
	Basics of immunological investigation- Interpretation and fallacies (30 min)	Vikas Agrawal, Lucknow	
3.45pm-4.10pm	Congestive heart failure in glomerular diseases & CKD: What a nephrologist should know? (30 min)	Vijay Kher, New Delhi	Dilip Bhalla, New Delhi Sharad Agarwal, Bareilly Sreedas G, Kochi M Atlani, Bhopal
4.10pm-4.45pm	Case presentation- A case when a nephrologist confuses with diabetic versus non-diabetic kidney disease (10 min)	Monika Yachha, Lucknow	Anita Saxena, Lucknow Abhirami K, Coimbatore PB Vinod, Kochi Sushma Rani, Bangalore
	Glomerular diseases in diabetics (25 min)	HS Kohli, Chandigarh	
4.45pm-5.15pm	Haematuria, proteinuria and odd urines: what does that tell?	Jonathan Barrat, UK	Jai Prakash, Varanasi Raka Kaushal, Chandigarh Anurag Gupta, New Delhi Vijay Gupta, Bareilly
5.15pm-5.45pm	Anti GBM disease: how to approach and treat?	Alan Salama, UK	KL Gupta, Chandigarh Ravi Elhence, Lucknow Debashish Saha, Lucknow Arun Shah, Bareilly
6.00pm-7.00pm			
Inaugural Function: MM Rajapurkar and Vivekanand Jha			
7.00pm-9.00pm			
Alumni Meet			
9.00pm			
Dinner and light music			

7th September 2019			
Time	Topic	Speaker	Chairpersons
8.30am-10.00am	Case Presentation (10 min)	Manas R Patel, Lucknow	Srinivas Avula, Guntur Ravi Shanker Bonu, Bangalore DK Sinha, Varanasi Anurag Singh, Allahabad
Discussion 15min	Pathology of IgA Nephropathy (15 min)	MaheshaVankalakunti, Bangalore	
	Pathogenesis of IgA nephropathy (25 min)	Jonathan Barratt, UK	
	Update in management of IgA Nephropathy (25 min)	Vivekanand Jha, New Delhi	
10.00am-11.30am	Membranous GN		
Discussion 10 min	Case Presentation (10 min)	Anupma Kaul, Lucknow	PK Rai, Varanasi Sandeep Garg, Meerut Rubina Vohra, Indore Siddharth Sonkar, Lko
	Pathology: Clues to clinch diagnosis-LM, IF and EM (15 min)	Manoj Jain, Lucknow	
	Pathogenesis of MGN: is there any new news? (25 min)	Sanjeev Sethi, USA	
	Management of MGN- Is Old a dazzling Gold? (30 min)	Dan Cattran, Canada	
11.30am-11.50am	TEA BREAK		
11.50am-1.40pm	Case Presentation (10 min)	Ravi Shankar Kushwaha, Lucknow	Lalit Agarwal, Kolkata Pradeep Kumar, Meerut DVS Somayajulu, Kakinada Sanjay Bajpai, Bareilly
Discussion 15 min	Pathology and pathogenesis (15 min)	Arpita Roy Chaudhary, Kolkata	
	Management of Lupus Nephritis- Euro-Lupus, NIH regime and beyond (30 min)	Daniel Chan, Hong Kong	
	Lupus class-V: How it differs in management from class-III/IV (25 min)	Dan Cattran, Canada	
	When pregnancy occurred with active lupus-What to do? (15 min)	Latika Gupta, Lucknow	
1.40pm-2.20pm	LUNCH BREAK		
2.20pm-3.40pm	Adult Minimal Change Disease/FSGS		
Discussion: 10min	A case of steroid resistant adult Nephrotic Syndrome (10 min)	Manas R Behera, Lucknow	Sanjay Mittal, Jalandhar, Gulshan Mukhiya, Udaipur Deepak Dewan, Lucknow Vivek Ruhela, Dehradun
	How to delineate the genetic and pathologic aspect of steroid resistant Nephrotic Syndrome in adult (15 min)	Raja Ramchandran, Chandigarh	
	Pharmacogenomic aspects of steroid resistance in Nephrotic Syndrome-Is it really a concern? (15 min)	Narayan Prasad, Lucknow	
	What are the agents to treat adult SRNS? -which one and when to	Alan Salama, UK	

	be used?:		
3.40pm-4.10pm	Membranoproliferative look on light microscopy		
Discussion 10min	How to approach when light microscopy looks like MPGN on native kidney biopsy? (10 min)	Tarun Jeloka, Pune	Nirbhai Kumar, Kanpur Archana Bhaduria, Kanpur Alok Kumar, Dehradun, Vikas Khandelia, Kota
	When light microscopy shows MPGN look on transplant kidney biopsy (10 min)	Manoj Singhal, New Delhi	
4.10pm-5.10pm	Monoclonal Gammopathy and kidneys		
Discussion 10min	A case scenario to differentiate MGUS/MGRS (10 min)	Dharmendra Bhaduria, Lucknow	Sanjeev A Kale, Raipur Sudindra Gupta, Bangalore Shashi Kumar, Patna Ranjani M, Chennai
	Classification, Pathogenesis and Pathology of MGRS (30 min)	Sanjeev Sethi, USA	
	Clinical Approach and management of MGRS (15 min)	SB Bansal, New Delhi	
5.10pm-6.00pm	CPC IN Glomerular Cases		
	Clinical discussant	Sanjay Agarwal, New Delhi	Mufazzal Ahmed, Lucknow Sreejith P, Pondicherry Sukant Das, Bhubneshwar Deshraj Gurjar, Kanpur
	Pathological discussant	Vinita Agarwal, Lucknow	
8.00pm	Dinner and cultural program		
8th September 2019			
8.00am-8.20am	How to deal with a patient with diffuse glomerulosclerosis (DGS), bland immunofluorescence, and relatively preserved GFR	Succeena Alexander, Vellore	Arvind Gupta, Allahabad Arun Kumar, Lucknow Prit Pal Singh, Patna Alok Jain, Jaipur
8.20am-8.50am	ANCA vasculitis: How do I approach and manage?	Alan Salama, UK	Ajay Sharma, Canada Apoorva Jain, Agra K Jaisuresh, Chennai Anand Banka Gorakhpur
8.50am-9.30am	C-3 glomerulopathies (40 min)	Sanjeev Sethi, USA	Umesh Gupta, New Delhi Prashant Bendra, Meerut Indranil Ghosh, Lucknow Swarnjeet Kaur, Bhatinda
9.30am-10.40am	Complement and other glomerular diseases		
Discussion 10min	Complement in HUS: How to approach and treat (20min)	Jonathan Barrat, UK	MM Rajapurkar, Nadiad Anil Kumar Singh, Lko DK Sinha, Kanpur Nitin Agarwal, Varanasi
	Complement in IgA: Is it a concern? (20min)	Dan Cattran, Canada	
	Complement in ANCA: is there any role? (20 min)	Alan Salama, UK	
10.40am-11.30am	Infection induced glomerulopathies		
Discussion 10 min	IRGN (20 min)	N. Gopalkrishnan, Chennai	KD Sadhwani, Ghaziabad Sameer Govil, Kanpur Abdul Wahid Khan, Jamshedpur, Medhavi Gautam, Lucknow
	Virus induced glomerular diseases (20 min)	Manish Rathi, Chandigarh	

11.30am-1.00pm	Paediatric Glomerular Disease		
	SRNS in children: Approach and management (20 min)	Aparna Ayenger, Bangalore	A Srivastava, Lucknow SN Mandal, Hyderabad BK Upadhyay, New Delhi Ajay Singh, Jaipur
	How to tame relapses in children with SDNS and FRNS? (15 min)	Manisha Sahay, Hyderabad	
	How to combat metabolic complications in nephrotics? (15 min)	Sanjeev Gulati, New Delhi	
	Lupus Nephritis in children: How to deal with? (15 min)	Dharshan Rangaswami, Bangalore	Mitul Bora, Guwahati Manjunath, R, Mangalore Namrata Rao, Lucknow L.K. Tripathi, New Delhi
TMA and atypical HUS in children-Current status (15 min)	Ajay Sharma, Canada		
Discussion 10min			
1.00pm-2.00pm	Post Transplant Disease		
	Recurrence or De novo glomerular disease: How to approach and treat? (15 min)	RK Sharma, Lucknow	Narendra Sengar, Jhansi Rajeev Bhatia, Jalandhar Venkatesh Mogre, Hubli Amit Mahapatra, New Delhi
	Recurrence of FSGS: What to do? (15 min)	Vijay Kher, New Delhi	
	Transplant Glomerulopathy – should we treat, or not? (15 min)	Amit Gupta, Lucknow	
Discussion 15min			
2.00pm-2.40pm	LUNCH		
2.40pm-3.40pm	Panel Discussion: Pregnancy and Glomerular Diseases		
	Approach to proteinuria in pregnancy (7 min)	Jitendra Kumar, New Delhi	Panel Coordinator Edwin Fernando, Chennai
	Glomerular injury in Pre-eclampsia –What is the news? (7 min)	Urmila Anand, Hyderabad	
	When pregnancy happens in pre-existing primary glomerular disease (7 min)	Amresh Krishna, Patna	
	How proteinuria affects pregnancy outcomes (7 min)	Ratan Jha, Hyderabad	
	Pregnancy in patients with APLA syndrome (7 min)	Abhilash Chandra, Lucknow	
	When TMA occurs postpartum – what to do?	Harsh Vardhan, Patna	
	Management of proteinuria in pregnancy – Is biopsy mandatory? (7 min)	Vivek Kute, Ahmedabad	
3.40pm	Closing Ceremony
